

2016 Flower Show Report

This year's Show was considered by all to be one of the best. The Committee have received numerous compliments and it was particularly pleasing to have lots of these from young families attending the show for the first time. Some visitors who were staying in a local B & B visiting the area and only heard about the Show on the Saturday morning were so impressed they have booked to come again next year!

The Show was opened by Wendy Yandell co-organiser of the Portishead Carnival and the blessing was conducted by the new Rector, The Reverend Rob Eastwood-Dewing.

We had perfect weather on both the Saturday and Sunday, dry and not too hot which helped to bring in good crowds and create a great atmosphere. Arena events included Seb Miller with his Meerkats, Raptorcare, Avon Alpaca's, Fluffy Retreat Ferret Racing, Graham Walker of Gamegoer provided a Gundog, Hawk and Ferret Display. Music was provided by the very popular Somerset Paddies and the Hipcats, with Portishead Town Band providing the music for Songs of Praise. Punch and Judy were particularly popular with over 300 children and parents watching at one point - Pete Milson (Mr Punch) said that it appeared that the parents were enjoying the Show as much as the children.

The number of exhibitors and exhibits were up for horticultural, handicraft, art and cookery, with 309 exhibitors and 1,528 exhibits, in addition to 330 photographs. The standard of entries across all classes was excellent.

Some of the handicraft exhibits attracted much praise with requests for contact details as visitors wanted to buy the items or order something specific - this could be the start of a cottage industry for some!

The cups were presented by a number of Committee members and two of the Portishead Carnival Princesses, Yasmine Pepperell and Daisy Waymouth.

We had a few new faces at the awards ceremony and congratulations go to the many cup winners including:

Finally, the Committee want to thank everyone who volunteered to help at the Show, be they Ground Stewards, Kitchen Staff, Gate Stewards or Car Park attendants! We could not run the Show without your Support and we really do appreciate your invaluable contribution to the success of the Show.

Linda Hodgetts

General Secretary, Portishead Horticultural Society
